Stage Sets

Theme Decor

We transform any space from ordinary to spectacular with our fantastic selection of event furnishings, stage sets, scenery and decor. Our design center is filled with props, lighting, fabric and a floral design studio to create the perfect environment for your special event.

Ask your hotel event manager for an appointment to tour our 32,000 square foot design center, or to see our photographic portfolio filled with decor ideas for your next event.

Spectacularly designed flowers will make your event even more beautiful. Whether it be traditional or whimsical, exquisitely formal or avant-garde, our floral designers work closely with you to create the perfect arrangement. Your event is special, and flowers designed by The Meetinghouse Companies will make your finished presentation absolutely sensational.

Ask your hotel event manager for a copy of our Seasonal Floral Guide for additional style selections to make your planning easier. Fair trade, sustainably grown flowers are available.
