If the service provider withdraws from the contract free of charge, this clause will not become effective.

3. Conclusion of the Event Agreement

The reservation of rooms and areas as well as agreements concerning performance of other services shall become binding for both parties upon written confirmation.

4. Number of Participants

For functions at which food and/or beverages are served, a one-time reduction of 20 % of the contracted number of participants is possible until no later than 7 business days prior to the first event-day.

In the case that over 5 % more than the contracted number of persons participate, the hotel reserves the right to adapt the contracted order of menu.

If more than 20 % of the contracted number of participants is cancelled, the terms of § 1 for additional cancellations become effective.

In this case, the hotel reserves the right to switch the contracted rooms as long as this is reasonable for the organizer.

5. Prices and Payment Conditions

Our prices include value added tax, services charges and all other charges. Any subsequent increase in the VAT after conclusion of the agreement shall, however, be borne by the principal.

11. Termination by the Hotel

The hotel is entitled to terminate, at any time, the contract relationship if the event endangers the reputation or safety of the Hotel and further, in cases of an act of god or upon the existence of another important cause.
