

## *A day to remember. A lifetime of joy.*

Whether it's an intimate ceremony for two or a gala for 400, your journey to wedded bliss begins here – and gets better with every step.

Your journey begins with an extravagant welcome as you step into our island paradise, a sanctuary of lush tropical gardens, boundless beach and sparkling sea, of halcyon days and passionate nights, sunsets that warm the soul and sea views that melt the heart.

Everything is in place as you take your next step into marriage. For some, that means a Western ceremony, for others traditional Thai. With a lavish ballroom, a multitude of outdoor party possibilities, infinite dining choices and a dedicated wedding team to handle the arrangements, perfect is assured from start to finish.

But the best has not yet to come, for in every culture the honeymoon is as much a celebration of love as the ceremony. Now every step you take will be together, whether to those cherished moments at The Mandara Spa, a candlelit dinner as the sun sets, long walks down the beach hand-in-hand, or the sanctity of your luxuriously inviting Suite.
