Top 10 Things To Do Near the Marriott Las Vegas

With the best dining and entertainment in the world, Las Vegas offers a little bit of everything for everyone and will allow you to have a one of a kind experience. Being located near the Las Vegas Convention Center and just blocks from The Strip, the Marriott Las Vegas provides extraordinary accommodations for your adventures throughout the city. While the strip offers entertainment options too numerous to count, we offer a few 'off-the-beaten-path' options to discover a bit of Vegas that not everyone sees.

Featured Attraction

The Strip

From the Fountain in front of the Bellagio to the clubs and casinos, The Strip brings the world to Las Vegas along 4.2 miles of Las Vegas Boulevard. You can find world-class shows, restaurants, and experiences while enjoying the lights and facades that make Las Vegas Famous. Any type of adventure can be found. The Strip is what Las Vegas is famous for, but there is so much more to explore. For more information, visit www.vegas.com.

The Neon Museum

Where do the signs of the bright city lights go to die and then be reborn? The Neon Museum was once the neon signs boneyard but is now where they are refurbished and restored. The museum offers tours of the boneyard and even allows photo shoots for a creative backdrop. Check before you head over because a new museum is under construction and hours are currently limited. www.neonmuseum.org
