

THE VENETO SUITE.

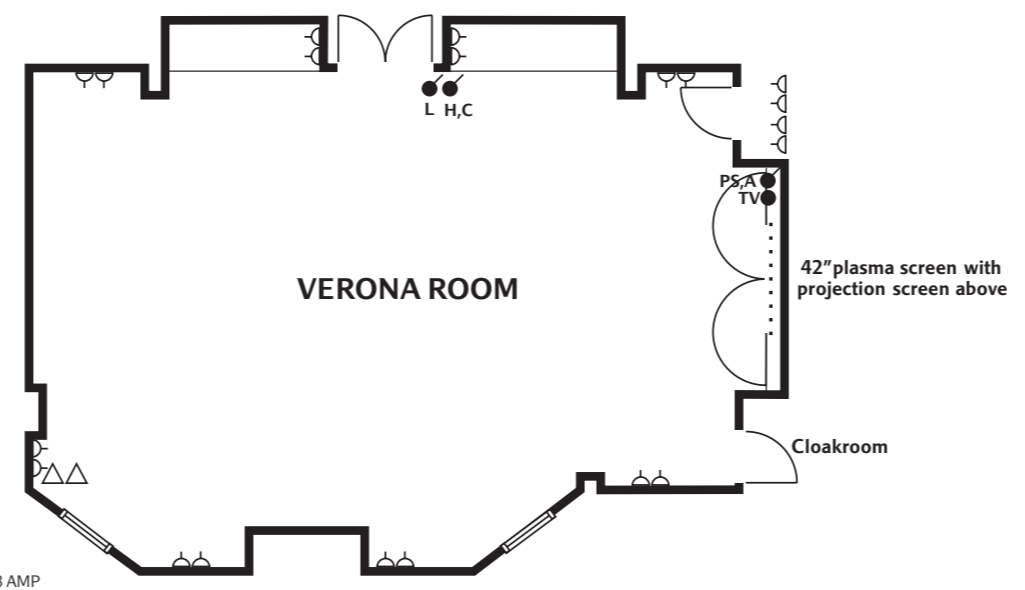

The Veneto Suite is the largest of the hotel's conference suites and is located on the ground floor. With its own entrance and quiet location, it is ideal for training related events, seminars, product launches and banqueting dinners. Begin your evening with a champagne drinks reception in the hotels stunning glass atrium lobby.

SORRENTO AND CAPRI ROOMS.
LUGANA ROOM.

The Sorrento and Capri Rooms are purpose built boardrooms located next to the Siena Room, and benefit from natural daylight and air-conditioning. Whether you require breakout areas from your main meeting room, or just arranging board style meetings, these rooms create the perfect environment.

The Lugana Room is located off the hotel's main reception area, and is suitable for those smaller meetings, and can also be hired by the hour.
