Presidential Suite Lounge

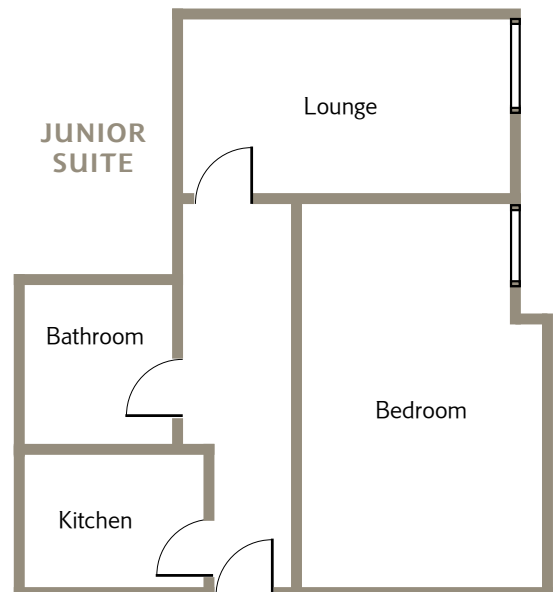

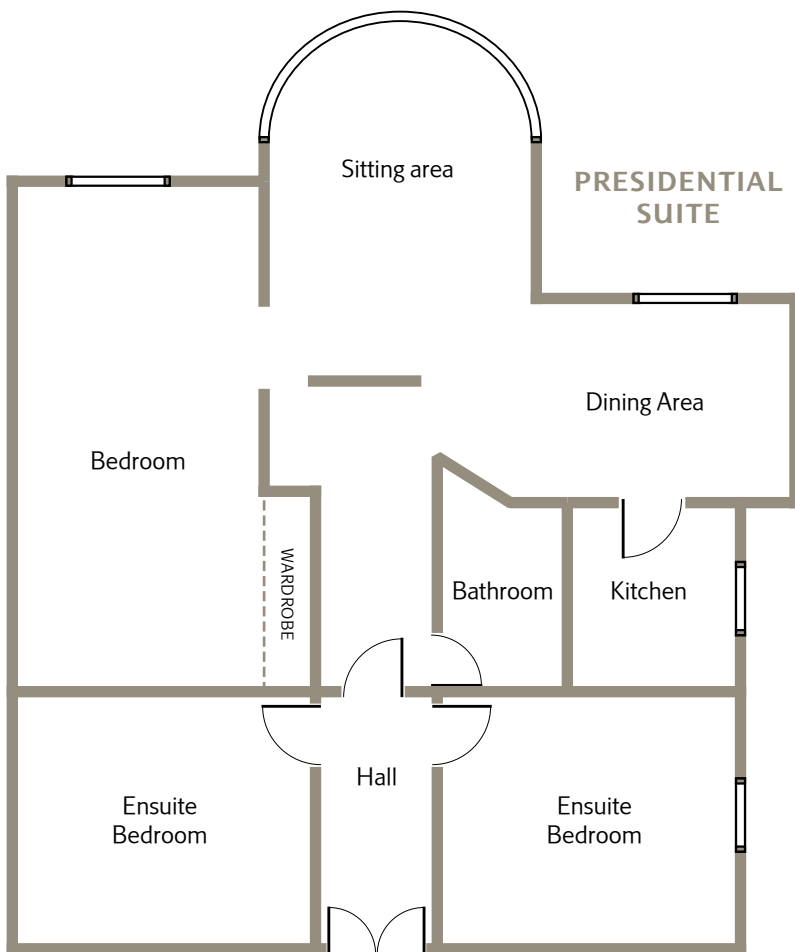

Our suites are ideal for executives wanting to combine the convenience of a meeting room with the luxury of a close-at-hand bedroom, or individuals and families requiring an extended stay with full apartment facilities at their disposal.

The Presidential Suites have 1, 2 or 3 king ensuite rooms and a spacious lounge area with comfortable sofas to relax on. The dining area is ideal for small private dinners or meetings, accommodating up to 6 people around an executive-style table.

Junior Suite Lounge

Additionally, there are six one-bedroom Junior Suites which each have a separate lounge area and fully equipped kitchen. Ideal for executives or families wanting a long stay, or for holding a private function. A perfect choice which offers all the comforts of being at home.
