Marriott
LONDON MAIDA VALE

Our self-contained Regent Suite is ideal for a social event. It is the perfect location for a special occasion, whether it be a wedding, private party, conference dinner or a corporate get-together.

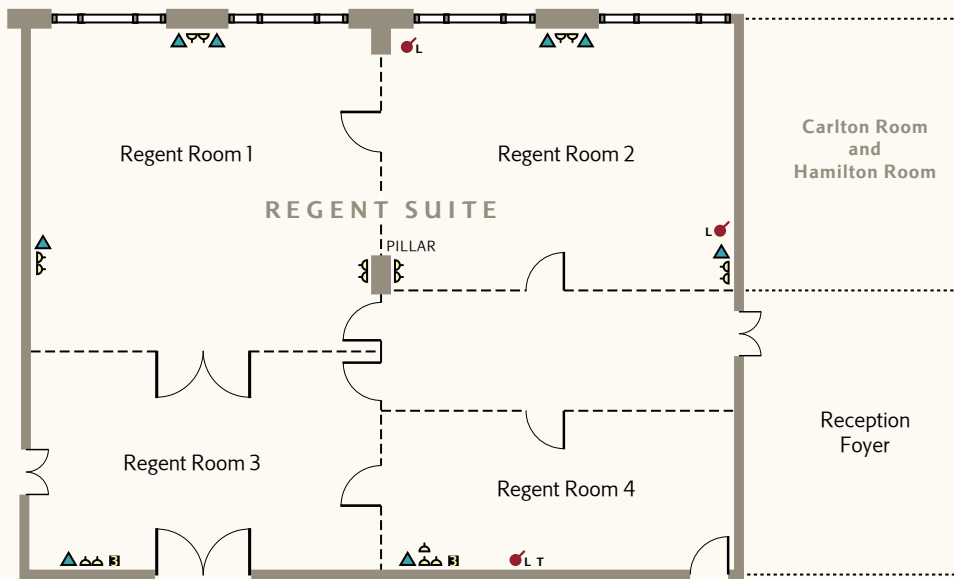

Whatever your event, we will provide you with a dedicated event planner. You will be able to have a private reception area and full cloakroom facilities, and as well as our own excellent banqueting service, we also offer a full choice of outside catering facilities.

The hotel is licensed to hold weddings and will provide you with a certified wedding planner. The bride and groom will be given a complimentary bottle of Champagne, together with a room for the night, which will be upgraded to a suite if available.

We will make your wedding day a truly special day for both you and your guests. Our dedicated team will be with you every step of the way, ensuring that every moment spent with us will be a moment to remember. Our chefs, wedding co-ordinators and banqueting team will inspire you with flavours, colours, textures and tastes from around the world.

Our planning is meticulous and our service is as individual as you are. Marriott's reputation assures quality and expertise and this will be focused on from the moment you make your enquiry until the day itself – whether you are planning a traditional reception, a large Asian wedding, a Kiddishin, a civil ceremony or celebrating your many years together and renewing your vows.
