High Speed Internet Access provided by iBAHN.

What is iBAHN?

- iBAHN is Marriott International's worldwide technology partner.
- iBAHN provides high-speed, secure Internet access to Marriott guests and delegates.

What are the benefits of iBAHN?

- FAST ~ access the Internet at speeds much faster than any other solution (including ISDN).
- RELIABLE ~ due to continual broadband connection.
- SECURE ~ multiple firewalls protect data security
- EASY ~ plug and play solution
- FIXED COSTS ~ with no additional call charges
- FULL SUPPORT ~ technical support available
- VPN ~ client compatibility allows remote access to your office

What options are available for my next meeting?

- **Single Connection:** This allows one person to connect their laptop to the Internet, for example to give a web-based presentation.
- **Shared Connection:** This option is ideal for an event where multiple users need Internet access, for example a training course.
- **Individual Secure Connections:** This option may be required, for example, at an event where each user needs to ensure high level data security from the other users.

How do I find out more?

iBAHN is now available at the Cheshunt Marriott Hotel in every guest and conference room.

Please contact the Hotel Sales Office for further details.
