'We are writing to you because we wanted to let you know how wonderful the staff was for our wedding on 19th August 2010.

In the run up to the wedding Jenny Wilkinson was our main contact and we felt that everything she did; everything she could have done, in helping us plan for the day.

She went above and beyond what we expected - for example helping us plan the best way to ensure my 93 year old Nan not only make it to the day but thoroughly enjoyed herself as well.

WE would like to say that our guests agreed with us that the food was not only presented very well, but it also tasted delicious, the guests that had dietary needs both commented on how marvellous their food was and the waiting staff knew exactly where they were sitting and ensured that they received their meals at the same time as everyone else.

We would like to play a special thank you to Shanine Jajh & Josefa Descalzo for all the hard work they did on the day, they made sure that we had everything that we wanted and needed. they were there for both of us to make sure that we had the best possible and many guests commented on how professional and courteous they were.

Would you please pass on our thanks to everyone mentioned for the attention to detail and this in turn with how nicely decorated our suite was made the perfect end to a perfect day.

We look forward to staying on our 1st year anniversary.'

'We just wanted to say a massive thank you to you and your team at Hanbury Manor. Our Wedding was everything we could have wished for and more. We had the most amazing day of our lives thanks to the hard work and effort of the events team.

From the moment that we arrived we were treated like royalty. Every single detail had been remembered and nothing was left unnoticed. Our pre-wedding dinner was fantastic and the waiting staff were so professional and helpful.

We felt so at home within the hotel and enjoyed all of the facilities that it had to offer. I was made to feel so relaxed as everything was being taken care of by the events team and I didn't need to worry about a thing.'

'Just a quick note to say a big thanks for all your help planning our wedding day. We had the most fabulous day at Hanbury Manor, thank in no small part to the meticulous work you put in before the event.

You exuded calmness and efficiency at all times (even if we didn't) and handled everything in the most professional manner.

Please also pass on our thanks to Betty and her husband (who were absolutely fantastic) and all other staff who worked so tirelessly and efficiently to make the day such a tremendous success.

It was a day and whole experience we will never forget.
