## Mighty Mo and Fries

In 1927, J. Willard Marriott opened a small root beer stand called Hot Shoppes, in Washington DC. The Hot Shoppes original triple-decker cheeseburger came into its own in the wartime 1940's, and was named after the great battleship Missouri. These burgers became so well known, that when a rare white tiger named Moheni was donated to the National Zoo in Washington, DC he was nicknamed "Mighty Mo." The rest is history....
