

Birmingham International Train Station to Hotel

Exit the train and follow the signs to the NEC. Walk through the NEC toward the main entrance (signposted 'hotels'). Birmingham International and NEC Public Transport Interchange is located approximately 350 metres of the Hotel. The walk distance is approximately 450 metres, most of which is covered as the walking route passes through the main NEC entrance facility.

Alternatively, if you are arriving at Birmingham City Centre via Birmingham Snowhill Station or Birmingham Moor Street Station, make your way on foot to Birmingham New Street Station where you will be required to catch a train to Birmingham International (approx. 10 minutes). Follow instructions as above once you have arrived at Birmingham International.

Moxy Birmingham NEC is located directly outside the main entrance of the NEC.
