

The image shows a menu cover with a dark, textured wood-grain background. Overlaid on this are several large, semi-transparent circles. Most are black, but there are three prominent red circles. Two are a bright, vibrant red, while one is a darker, more muted red. The circles overlap each other and the background. Two horizontal dotted white lines are positioned above and below the word 'Menu'.

Tea Selection

SILVER JUBILEE & WATTE SERIES TEA BY DILMAH

Our menu features a mix of teas from the Dilmah Silver Jubilee Gourmet Range and Watte Series and T Series.

The Silver Jubilee is a celebration series of Dilmah's completion of twenty five years of fresh, single origin, 100% pure Ceylon tea. The four teas in the Watte series represent the unique qualities of the four primary Ceylon tea growing regions from dark, full-bodied low elevation teas, to the light, bright teas grown at the highest mountain.

Our tea sommelier has arranged the teas in the menu progressively from light to full body.

White Tea

CEYLON SILVER TIPS

205

A sublime tea, that is rare and handmade from an unique variety of **Camellia Sinensis**. This revered white tea is grown on our Kataboola Estate where only the fresh buds of the tea plant are hand-picked at dawn, protected in silken pouches and then dried under filtered sunlight. The characteristic silver, needle-like buds with their velvety texture produce a pale brew that is supremely delicate. This is a light tea, prized for its gentleness. It demands respect in its preparation and yields hints of pear, honey and a lightly herbal embrace. The beauty of the buds, and their transformation, enhances the serenity in this unique Ceylon Tea.

Green Tea

ORGANIC SENCHA 139

Specially selected organic sencha green tea from Korea with a pristine jade green leaf and a delicate grassy note, its purity is emphasized by a clean, fresh aroma and elegant in the cup. The infused leaf produces a light, straw colored tea that is mild and refreshing.

ORGANIC LEAFY GREEN 169

Organically grown Daejak curled green leaf; the infused leaf brews a clean, pale yellow tea with notes of hay, olive and herbs. Lightly astringent, this tea has depth and medium body.

CEYLON FULL LEAF GREEN 179

A fragrant, lightly piquant tea that evolves with grassy, herbal notes and hint of fruit and citrus, this is a palate cleansing, medium-strength green tea, that is the perfect accompaniment to fine dining.

NATURAL JASMINE GREEN 149

Using an ancient technique, the sensual perfume of night blooming jasmine flowers are combine with green tea over seven scentings. The result is a delicious tea with a pale amber infusion and elusive, bewitching aroma.

The abundant tannins are quite assertive and pleasantly drying. It is best consumed in the afternoon or early evening.

YATA WATTE 149

Low grown, from sea to 1,000 feet up, in the region of Ruhuna, Yata watte is heavy, robust, rich and full flavored. This may be enjoyed anytime of the day. This is the perfect choice for people who enjoy their tea strong.

SILVER JUBILEE EARL GREY 149
