About PSAV®

PSAV is the leading provider of audiovisual and event technology support to hotels, associations, producers and meeting planners worldwide. With on-site offices at more than 1,300 locations worldwide and branch offices in most major meeting cities, PSAV is committed to making every live event an unforgettable experience. PSAV mixes bright ideas with smart technology so the messages organizers want conveyed make the greatest possible impact. PSAV's professionals understand the importance of a successful meeting, and know how minding their work can affect the minds of meeting participants.

A Market Leader

PSAV's roots go back to early 1937 in providing audiovisual (AV) leadership in the meetings industry. In the last decade, PSAV expanded and consolidated regional AV companies to meet growing customer demand for a national source of consistent, high-quality audiovisual support. Today, PSAV has strengthened its business beyond traditional audiovisual services through innovative technology that enhances live events.
