

## DIRECTIONS TO OUR HOTEL FROM ROUTE 1

It can be a little tricky getting to our hotel as we are located behind TGIFRIDAY'S Restaurant so please follow these directions so that you don't get lost.

From Rte. 1 North: After the COSTCO Warehouse entrance, turn right before TGIFriday's. Bypass TGIFriday's driveway and at the STOP sign, turn left and follow the road into the hotel driveway. The hotel is located behind TGIFriday's. If you see the turn for Rte. 114, this means you went too far and just missed the driveway. At that point, take Rte. 114 West, turn around and get onto Rte 1 South. Take the Lowell Street exit (about 2 miles down on right). Turn right off Lowell Street exit and go back up onto Rte. 1 North and follow the above directions.
