CHILDREN'S MENU

Tristan Welch's boys are already a dab hand in the kitchen. They helped put together this special menu and they didn't let him cut corners! Just like our grown up menus, all the meat is sustainably sourced from local farms, and things like sugar and salt are used in careful moderation.

A STARTER AND MAIN£9

STARTERS

MELON BOAT WITH ORANGE SAILS

A super-sweet fruity treat inspired by the Cambridge University rowing team who practice on the river near the University Arms.

POTTED VEGETABLE STICKS

Crunchy carrot and cucumber batons to dip in a special herby mayonnaise sauce.

MAINS, SERVED WITH YOUR FAVOURITE VEGETABLES...

Everyone likes different veggies. So tell your server what your favourite vegetables are and if we've got them we'll serve them with your meal!

SPAGHETTI BOLOGNESE

My young lads can't get enough of this tasty Italian Bolognese, made with free-range beef from a nearby farm.

GRILLED CHICKEN WITH WAFFLES

I took this dish from the United States of America where there is another city called Cambridge – which has a famous university too.

FISH CAKE AND CHIPS

There are three types of fish in these freshly made fish cakes: sole and haddock from the Norfolk coastline and river trout from the Cambridgeshire waterways.

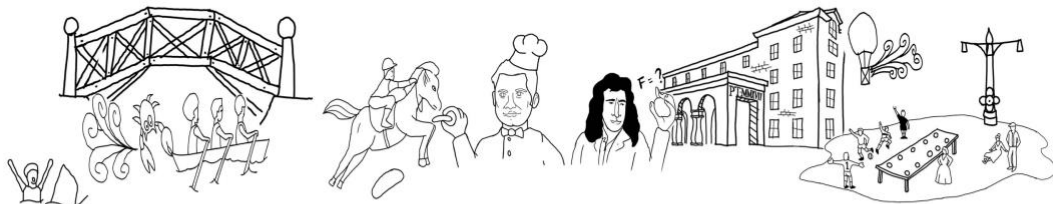

BEANS ON TOAST

I've heard this is a favourite supper at university colleges all over Cambridge.
