

Element Hotels

We believe that travelers deserve more than a place to stay. They need a place to thrive. We want our guests to start every day fresh, whether they're staying for a few nights or settling in for a few weeks. Inspired by Westin, Element Hotels provides guests with space to live their lives. With natural light, healthy options, open spaces and eco-friendly practices, we've built a smarter, better place to stay. Time away from home shouldn't mean time away from life.

Find your own space

We've designed the Element Hotel experience to give you everything you need to stay energized, active and whole.

Rise: Breakfast Wake up to our signature healthful breakfast, featuring hot sandwiches, refreshing smoothies, wholesome granola, fresh fruit, gourmet coffee and more. Always complimentary.

Relax: Evening reception Settle in and mingle with other Element guests or gather with friends and family over complimentary savory food and beverage pairings. Join us four nights, every week.

Restore: Gourmet grab & go pantry Stock up with all you need anytime. Our self-serve pantry offers ready-to-cook meals, healthy snacks, indulgent treats, local specialties, gourmet coffee and more, around the clock.

Motion: Fitness center Set your pace at Motion, our spacious, light-filled fitness center, with state-of-the-art Life Fitness cardio machines, strength-training equipment and convenient 24/7 access.

Resource: Business center All the tools you need to stay connected. Printer and fax machines available 24/7 and free wired and wireless high-speed Internet access throughout.

Meeting space Take care of business in our bright and spacious meeting room. Fully equipped with well-designed seating, state-of-the-art audiovisual technology and an all-in-one connectivity station. Easy-access power outlets help polish every presentation, while complimentary wired and wireless high-speed Internet access keeps everyone connected.
