HOW TO SPA

How do I choose my treatments?

We offer a menu to pamper, relax and revive the body. Our Therapists can help you select those treatments that are most appealing and beneficial to you.

Treatment Consultations

Our consultations are confidential and complimentary and are included within the treatment time experience. Please notify us on booking if you have any allergies or medical concerns that may prevent us undertaking the treatment. Some treatments are not suitable for certain medical conditions and will require a letter from your Doctor confirming that the treatment can be performed.

Arrival

We kindly ask that you arrive at The Spa Reception 20 minutes before your appointment time to enable you to relax and complete a consultation form. We offer our guests a reliable treatment schedule, please appreciate that late arrivals will not receive an extension of scheduled treatment time.

What shall I wear?

Wear whatever is comfortable. On arrival, your therapist will explain the elements of your treatment and advise what items of clothing should be worn during it. During treatments all our therapists are trained to drape you appropriately for privacy. Whilst using the wet spa and any of our holistic experiences, swimming shorts/trunks or costumes should be worn.

Young Adults

Young adults aged 15 years and younger may receive Manicures and Pedicures only. Young adults aged 16-17 years can also receive Facials once a Minors Authorisation Form has been completed and signed. Massage and Body treatments are available for young adults aged 18 years and over.

What if I'm pregnant?

Please notify us if you are pregnant when booking your treatments.

Continue your experience at home

As part of your complete experience, our trained Therapists will gladly recommend a skin care routine to enable you to continue the benefits of your treatment at home. Our products are available to buy directly from the Spa.

And finally a few spa tips

To ensure a wonderful spa experience, please make us aware of any preferences that you may have. Talking with your Therapist will help them customise their service to ensure maximum enjoyment. Re-hydration is an important part of spa therapy. We therefore recommend that you drink plenty of water. We recommend men shave a few hours before a facial.

We endeavour to provide you with a tranquil, relaxing and reviving environment. We therefore request that you respect the needs of fellow clients by leaving your mobile phones and pagers in your locker. Smoking is not permitted on the premises.
