**Book a meeting or event and receive a free stay
and participation for every 10th guest.**

In order to be able to use the "One for You - Book 10 Pay 9" promotion, the relevant meetings and events must be booked before the 30th of June 2020 and held at the participating Munich Airport Marriott Hotel until the 30th of June 2020. If you book nine participants/rooms during this period, you do not have to pay anything for the tenth participant. This applies to the standard conference fee and/or guest room (local taxes and additional costs such as telephone and internet charges, use of the minibar, etc. will be charged separately to the customer). Within the framework of this campaign, you will receive a maximum of ten participants/guest rooms per event free of charge during the specified period. The offer is only valid for meetings/events with at least 10 participants. A group consists of at least 10 booked single rooms and/or conference participants. This special offer is valid per event for meetings/events with and without guest room booking. The offer is only valid with corresponding availability. The promotion is not bookable from the 15th to the 20th of June 2020, 23rd of June 2020 and 24th of June 2020. The Munich Airport Marriott Hotel reserves the right to change or revoke these conditions at any time. The number of rooms and conference rooms available for this offer is limited. This offer only applies to new bookings made with a representative of the group and cannot be claimed retroactively for bookings already made. This offer cannot be combined with any other promotion.
