Iconic Weddings on
Central Park South

A Timeless Wedding, Carefully Crafted.

A Central Park Celebration. Masterfully Engaged.

Craft your perfect wedding at an architectural masterpiece, the iconic JW Marriott Essex House. From our Art Deco façade, to our world-class location just steps away from Central Park, our hotel seamlessly marries style and tradition, making it ideal for your wedding celebration.

Just beyond our doors, the natural beauty of Central Park provides the perfect backdrop for a picturesque ceremony or to capture memorable photos of your day. Here at the JW Marriott Essex House, we're always in touch with the park and never out of touch with the city.

Exquisite Spaces. Skillfully Orchestrated.

Choosing your wedding venue is more than just about a beautiful location. It's about picking a place that will stand the test of time. Let our Beaux Arts-style Grand Salon, with its breathtaking chandeliers and hand-painted murals transport you to the Palace of Versailles for an unforgettable wedding experience. Enjoy room for 275 in a banquet-style setup, or 550 for a standing reception. The connecting Petit Salon creates a sense of arrival for your guests and is ideal for cocktail receptions and ceremonies. Combine the two spaces for a seamless transition from the social hour to dinner, dancing and beyond.

Once in a Lifetime Elegance. Expertly Attended.

At the JW Marriott Essex House, we know that your wedding day is about refinement, not extravagance. Beauty is in the details, never the pretense. Whatever you need, it's yours, without even having to ask. With over 17,000 square feet of creative venue space, there's an array of options available for your ceremony, rehearsal dinner or post-wedding brunch. Choose from the Beaux-Arts inspired Grand

and Petit Salons, the Art Deco Salon, SOUTHGATE Bar & Restaurant, and the Central Park Rooms. Our team of dedicated wedding experts will work with you, from the first meeting to the very last toast, ensuring your wedding feels exclusive and—most importantly—designed just for you. And, with world-renowned JW Marriott standards and unparalleled culinary excellence,

we vow that no detail or intricacy will go unnoticed. We can also craft a special suite just for you and your bridesmaids on the big day. From bridal spa and salon services to the perfect pre-wedding photo shoot, you'll find everything all in one place.

Your Every Need. Highly Anticipated.

With an abundance of well-appointed amenities, the JW Marriott Essex House New York features the perfect accommodations for your Manhattan wedding celebration. We offer everything from an enchanting bridal suite overlooking Central Park to lovely accommodations for your guests where they can relax in one of 394 lavish guest rooms, or 117 luxury suites, and experience all of the services and amenities available at our Central Park location. Our group rates and reservation packages make it easier than ever to make your guests feel welcome. Whether it's an intimate gathering or a large-scale wedding celebration, you can reserve blocks of rooms at a discounted rate for your guests.
