## Residence Inn Philadelphia Valley Forge Invests Over \$1 Million in Renovation of Guest Suites

*Valley Forge hotel completes upgrades to all guest suites, featuring new décor and updated amenities*

**Berwyn, PA** – Completing a total redesign of its guest suites earlier this year, [Residence Inn Philadelphia Valley Forge](#) now features a fresh new look aimed at today's travelers.

At a price tag of over \$1 million, the updates have created more modern spaces with stylish décor and state-of-the-art amenities. From families to business professionals, all will appreciate spacious [extended-stay suites](#), complete with a cool color palette and sleek design. With floor-to-ceiling renovations, each accommodation features a new desk, dining table and pull-out sofa in addition to a new headboard with convenient reading lights and plenty of places to plug in. Paint, carpet and window coverings were also enhanced, providing a more inviting atmosphere.

Boasting plenty of room to live, work, dine and dream, the suites offer thoughtful layouts, complimentary wireless internet access and fully equipped kitchens with stainless steel appliances, including refrigerators, ovens, stovetops, microwaves and dishwashers. Bathrooms offer private vanity areas and new side shelving for easier access to bath products and towels. Select rooms feature fireplaces, great to curl up in front of while watching popular shows and movies on premium cable channels.

“With the completion of this extensive renovation, we are excited to provide fresh accommodations that cater to everyone from the millennial business traveler to the family of four or more,” said Rodger Molnar, area sales leader. “Corporate guests will especially appreciate new laptop stands to complement the free Wi-Fi and ample outlets available in every room.”

Supporting a successful extended stay, the Valley Forge hotel provides thoughtful amenities both within and beyond each suite. In the hotel lobby, guests will find fresh morning favorites at a complimentary breakfast buffet, available daily. On select evenings, travelers can embrace the social spirit of the hotel at The Residence Inn Mix, which offers free snacks and drinks to facilitate interaction between guests in the lobby and on the patio, complete with comfortable seating, a fire pit and grill.

Whether spending a day exploring the historic attractions of Downtown Philadelphia or the scenic setting of Valley Forge National Park, adventure-seekers can also stay active right on site. Great for workout enthusiasts or families looking for something to do during downtime, the property is home to a sparkling

outdoor pool, convenient fitness center and signature Sport Court. Tennis, basketball and volleyball equipment can be picked up from the friendly front desk staff.
