JW Marriott San Antonio Hill Country Resort & Spa:

Resort Recycle Program - The resort partners with Waste Management to provide recycling resources for paper, plastic, aluminum, cardboard, fluorescent and other mercury containing lamps.

LEED Certification - Registered with the U.S. Green Building Council and certified under USGBC's LEED *Construction* (Leadership in Energy and Environmental Design) program.

Low VOC Paint and Glue - The resort utilizes all low VOC products.

Smart Air Conditioners - The heating and cooling system features a "smart system". The system recognizes when the door is open to the balcony and automatically shuts down, to conserve energy.

Low-Flow Showerheads - Installed in all guest baths to conserve precious water resources.

Low-Flow Toilets - Another water conservation initiative that saves thousands of gallons of water.

Bird Sanctuary - Established in a 150 acre tract north of the golf courses as a safe haven for the endangered Golden Cheek Warbler.

River Bluffs Water Experience - All pools were designed with a special filtration system that uses 80% less water for cleaning and flushing.

Green Meetings Certification - All of our resort's Sales Managers, Event Management, Banquet Managers, Banquet Captains, Event Services Managers and Event Services Leads are Green Meetings Certified.
