

HOTEL TRANSFORMATION COMING SOON!

The Residence Inn at The RIM is undergoing some minor changes to make a BIG impression! Scheduled to be completed mid-February 2017, guests can experience our renovated suites, lobby, meeting room, and fitness facility. Our upgrades have our guests in mind to ensure every stay is even more relaxing, productive and enjoyable.

Our **reinvented lobby** will feature contemporary and stylish decor as well as re-designed public spaces ideal for quick meetings or catching up with friends.

Guest suites will have a fresh new design but keeping the amenities guests love at the Residence Inn!

We are looking forward to sharing the new face of the Residence Inn Six Flags at The RIM with all of our guests!

Although undergoing a face-lift, we are still accepting reservations at this time.
