

Welcome to the Tysons Corner Marriott's New Era of Travel

Tysons Corner Marriott has been reimagined with a \$25 million floor-to-ceiling renovation completed in Fall 2020. Here are some of our exciting enhancements:

- Our new lobby is a vibrant hub where guests can come together and be productive or socialize over cocktails and craft beers at our centrally placed bar.
- 400 fully transformed guest rooms feature chic urban looks, contemporary bathrooms and well-lit workspaces with all the fast Wi-Fi, power sources and connections the modern traveler needs. All former double-double rooms converted to queen-queen rooms.
- Over 12,000 square feet of fully reimagined event space as well as two additional event spaces ideal for both large and small groups to collaborate, brainstorm, share and innovate.
- State of the Art Fitness Center including Peloton virtual training bikes, cardio equipment and free weights.
- New Gastropub inspired dining introduces sophisticated décor and innovative menus featuring local ingredients.
- Addition of the exclusive 24-hour M Club, providing select Marriott Bonvoy™ members with access to a quiet, sophisticated space to meet, mix and mingle with snacks, charging stations, printing facilities, and HDTVs for sharing presentations or just catching up on favorite shows.
